BRIEF ABSTRACT OF LETTER.

Forwards for Sanction the T. A bill of Auditor P. S. VasudevaRao, for March 1914.

NOTES AND ORDERS.

Sanction is sought for halts of more than 10 days made in Shimoga in connection with the Audit of accounts.

2. The Conservator says that

GPB—35,000—15 6-12

that it is necessary for the Auditor to stop in one place more than a fortnight or even a month at times.

3 The Conservator is authorized to Countersign bills for halts of more than 10 days and the Compr is authorized to pass them under Act S 84, M & R. But the Audit of accounts comprises a Deptl nature of work which does not come within the purview of the powers covered by this Act, as the Compr says. This has therefore to be Scrutinized ~~by~~ as in other Cases.

4. The present halt is not clearly stated to shew how long it extended - As the present bill shews it covers the whole 31 days of the month. In the first

NOTE—Contn. sheet.

GPB—60,000—7 11 13

instance the Conservator may have to be asked to state how long the halt extended as this halt exceeds the two limits which the Conservator prescribes, viz. a fortnight and a month.

5. Then as regards the audit, when the period extends over ~~a~~ ~~long~~ a month or so, it is evidently a matter of serious irregularity and perhaps ~~the Conservator~~ himself ~~to~~ the best authority to say whether ~~the~~ it may be necessary that the Compr should have been apprized of it. In any case it may be necessary ~~to~~ to inform him of it, by referring this file to him unofficially and then refer this to Br I (Forest Secn) to say

whether the prolonged halt may be passed

[Now as the occasion has arisen, it is a question whether the Auditor should work under the Secretary the Comptr. Whereon he may be attached and submit his reports to the Comptr. It would be interesting to know how in Mysore the Accountancies defalcations etc are dealt with whether the Treasury Officer himself was audited & the auditor upon what action is taken on the audit report. In Madras the Local Fund audit Treasurer checks itself.]

17 The exemption asked for may be given if as a general rule an ordinary inspection of the auditor ~~all~~ takes more than 10 days.

18 As regards A, I think the more important part of the auditor's work is check of receipts and I shall not readily agree to an arrangement which will tend to lessen the Departments responsibilities as regards revenue collections. If however the Deptt makes the proposal, I shall consider the pros + cons -

SIR,

1) I have the honour to state that the Comptroller has returned unaudited, the Travelling Allowance Bill for March 1914 of P. S. Vasudeva Rao, Auditor of Forest Accounts with the remark that the sanction of Government may be obtained for halts of more than ten days made by him during the month at Shimoga.

2) In this connection, I have to state that Vasudeva Rao was appointed Auditor in July 1907. The nature of an Auditor's work makes it necessary that he should remain in one place continuously for over a fortnight or even a month at times to finish it.

3) Further, at no time previous to this, has such claim been objected to, evidently because his case is analogous to that of the Local Audit Staff of the Comptroller's

GPB—800—19-3-14

Office who are exempted from the operation of Article 582, Mysore Service Regulations by note 3 thereunder.

4) I beg therefore that a similar exemption be -- granted to the Auditor attached to my Office and clause (viii) under note 3 of Article 582 so modified as to -- include him.

5) The Comptroller's memo and the Travelling Allow -ance bill are both forwarded herewith for reference.

I have the honour to be,

Sir,

Your most obedient servant,
